

The Mayhew Animal Home is asking for unwanted goods to help cats and dogs in need

London -The Mayhew Animal Home relies on the generosity of our supporters and there are many things that the rescue centre in Kensal Green needs to look after the animals at the Home and also carry out the day-to-day duties of a busy charity. The Home prides itself on the high standard of animal care and the kennels and cat cabins on site are always comfortable, warm and have a rotation of toys to prevent the feline and canine residents getting bored.

While they are at the Home, The Mayhew cats and dog also have access to play areas, which are stocked with different toys and activity centres.

The Mayhew Animal Care Manager, Gillian Rich, said: *"We are very lucky to have kind supporters who regularly bring us toys and blankets for the animals we have here and there may be many readers who have a stock of items at home that are simply no use to them. It is great for us to have new balls and bowls for our dogs, but there are so many things that The Mayhew could make use of and all of this will help lower the overall costs for our charity."*

It costs over £3400 a day just to keep The Mayhew running, so when people are having a clear out it is a great if they could spare a thought for the Home and how they can help us out."

Here is a wish list for bits and pieces that may be collecting dust in North West London homes and could be put to good use at The Mayhew:

Towels

Blankets (not pillow cases or duvets)

New dog and cat toys

Paper towels

New Mops
