## **Animal charity staff create valentines al a carte menu for homeless kitties**

Mayhew Animal Home provides a feast for their felines on the 14<sup>th</sup> and asks people to come and adopt their purrrrrfect partner!

London - Instead of the usual work with brooms and buckets, staff from The Mayhew Animal Home are donning chef hats and wielding rolling pins in order to produce a special Valentine's menu for the cats and kittens awaiting adoption at the rescue centre in Kensal Green.

Whilst waiting for their new owners to arrive at The Mayhew, the lucky felines will be presented with a menu of Kitty Kisses, Fabulous Flirty Fishballs and Sexy Salmon Mousse.

Deputy Animal Care Manager, Caroline Brown, said: *"While we ensure all year round that our Mayhew animals get lots of care and affection, we wanted to prepare a special Valentine's day feast for the cats and kittens and show them some extra love. I have taken tips from top recipes for the al a carte menu and while our kitties will be feasting on Flirty Fishballs, we are encouraging cat lovers to visit the Home and consider adopting their purrrrrfect partner!"*

### **For the Editor**

**The Mayhew Animal Home** was established in 1886 for the benefit of "the lost and starving dogs and cats of London so that they should have sanctuary from the cold inhumanity they are being dealt outside". Today, The Mayhew is one of the busiest animal sanctuaries in London, rescuing thousands of animals from cruelty and neglect each year. We provide shelter and care for cats, dogs, rabbits and when the need arises, for a wide variety of other animals.

The Mayhew Animal Home strives to tackle the companion animal welfare crisis from every possible angle. The organisation is pro-active, innovative and continually works to assist animals and their carers. The Mayhew offers a wide variety of community services providing advice, care and assistance to animals and their carers whatever their circumstances.
